The most versatile production and recording room we've ever created. This studio offers five RODE PROCASTER microphones, A Graphic Equalizer, Aural Exciter with Big Bottom for bass enhancement, 48 track recording capability and a CD mastering recorder. The telephone hybrid from JK Audio allows for recording from the telephone as well as playing audio to someone over the phone. We've thrown into the package not one, but two portable SD Card recorders for gathering high quality stereo audio from remote places.

**“Sound Idea” Recording Room Version is only \$39,975.00
